

# Paper Plate Hedgehogs

## SUPPLIES

- Paper plate
- Brown paint
- Brown construction paper
- Black round stickers (or black paint/marker)
- Large googly eyes
- Glue
- Scissors
- Stapler

## INSTRUCTIONS

1. Fold paper plate in half.
2. Draw the shape of the hedgehog's face and nose.
3. Cut along the line you just drew.
4. Paint the paper plate brown. Once dry, fold in half again and staple along the edges.
5. Cut short strips of brown construction paper.
6. Glue the construction paper pieces along the edge of the paper plate.
7. Glue a googly eye onto the paper plate.
8. Paint a black dot on the tip of the plate or use a black sticker to make the nose.
