# Willkommen!

The German American Heritage Center & Museum invites you to join us as we explore our heritage and rich culture through exhibitions, programs, and events here in Davenport, Iowa.

The German-American heritage runs deep in the Quad Cities, with German-speaking immigrants arriving in the area over two centuries ago. Many immigrants established churches; schools; published newspapers; began companies, such as breweries and cigar factories; and owned and operated farms.

We are housed in a fully renovated, historic 1871 German hotel, or "gast haus." We feature a gift shop full of artisanal German products, a rental space for meetings and parties, an archive of local German-American history, and 3 exhibit galleries. Our permanent exhibit, The German Immigrant Experience, is nationally recognized and includes interactive experiences and two recreated immigrant period hotel rooms. We are ADA compliant and offer regular programs to our members and the public.

Our mission is to preserve and enrich for future generations knowledge of the German immigrant experience and its impact on American culture. We seek to share the stories of our heritage and engage the community in enriching and meaningful experiences.
