

Cardboard Tube Dragons

SUPPLIES

- Cardboard Tube (toilet paper roll)
- Paint (any color)
- Paint Brush
- Large puff balls (any color)
- Small puff balls (any color)
- Large googly eyes
- Glue
- Streamers

INSTRUCTIONS

1. Remove all paper from the cardboard tube
2. Paint the tube any color you like
3. While the paint dries, choose two large puff balls. These will be the eyes.
4. Glue one googly eye on each of the two puff balls.
5. Choose two small puff balls. These will be the nose.
6. Once the paint is dry, glue the puff balls to the tube. The two large ones will be on one end, while the two small ones will be on the other.
7. Take a couple of strips of red/yellow/orange streamer.
8. Glue the ends of the streamer to the inside of the tube near the nostrils.
9. Blow through the tube to "breathe fire"
